PROFESSIONAL SUMMARY

Full Stack Web Developer with hands-on experience in building dynamic, responsive web applications using HTML, CSS, JavaScript, Python, and SQL. Proficient in front-end development, backend integration, and full development lifecycle. Adept at collaborating with cross-functional teams, writing clean code, and delivering user-friendly solutions. Eager to contribute to scalable applications and modern web platforms.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Python, SQL

Frameworks/Tools: Firebase, Git, Visual Studio Code, XAMPP, WordPress

Backend & Automation: Python Scripting, VB Macros, GUI Automation

Development Practices: Agile, Responsive Web Design, API Integration, Version Control

EXPERIENCE

GIGA TECH, *Front-End Developer Intern*

Mar 2025 – Present

- Developed responsive web interfaces with HTML5, CSS3, and JavaScript
- Integrated RESTful APIs with front-end UI for seamless data interaction
- Improved performance through image optimization and CSS refactoring
- Participated in Agile team meetings and collaborated with developers on version control

PANTECH.AI, *Full Stack Developer Intern*

Nov 2024 – Feb 2025

- Contributed to both front-end and back-end development for internal tools
- Automated parts of the testing lifecycle using scripting and macros
- Designed reusable UI components and implemented backend logic in Python

PROJECTS

Personal Portfolio – [View Live](#)

- Developed and deployed a responsive personal website using HTML, CSS, JavaScript
- Showcased technical projects, certifications, and contact info in a clean design

SHL Assessment Recommendation Engine

- Created a Python-based engine to match job roles with assessments using filtering logic
- Ensured modular, scalable code with a focus on usability and performance

Community Website – d4desimedia.com

- Built a user-driven community portal with mobile-first design
- Integrated UUKI for interactive forums and enhanced user engagement

EDUCATION

B.Tech in Electronics & Communication Engineering

Matrusri Engineering College | 2020–2024 | CGPA: 8.07

CERTIFICATIONS

- HTML, CSS, JavaScript – Great Learning Academy
- Python – HackerRank, Cisco

ACHIEVEMENTS

Scored 80 in TCS NQT and 645 in CoCubes, demonstrating strong aptitude and technical proficiency.
